Town Administrator:

Pat included the three traffic counts for ERR the Board. She will follow up with PVPC to see what the next step is in the process to reclassify ERR with a federal designation.

Pat reported there is a leak somewhere in the boiler room. Ron Ouimette said he thinks it might be the drain at the bottom of the stairs.

Ed Meecham likes the mowing job on Bromley Rd. and upper Skyline. Wondered how the counts came out. John B. read them off. Middlefield line/ERR 59, ERR/Bromley 226, Skyline/ERR 97.

Tom Beck: Said Comcast was in the area again measuring.

Ron Ouimette asked about monitoring of Chester Spring. John B. reported that the State has been in charge of that for a number of years.
