

Town of Chester
Board of Selectmen
Minutes
November 7, 2016

John Baldasaro opened the meeting at 6:00 p.m. Minutes of 10/31/16 were signed and approved. Warrants were signed and approved.

John Murray: Highway Department: ERR is complete. Mowing continues. It was suggested John speak to Chief Ilicky in regards to some residents who park their cars quite near the road, risking damage during the winter.

John asked if the line painting went out to bid for the recently completed projects. It did not. John instructed to get a price (center & edge on Blandford, center only for others)

Pat produced an email from PVPC in regards to the TIP program. Will follow up to find out what, if anything, we need to do or should do.

Pat reported that some repairs needed to be done at the Transfer Station. She is meeting with Ron Ouimette this week to get some suggestions.

Rene reported that COA is already having some trouble with door sticking.

Citizens comments;

Ed Meecham: Mowing looks good. Has made a bid difference. Dead trees need to be picked up along Skyline. Also there is a sand pile along Bromley that needs to be addressed.

John B. made a motion to adjourn. Barbara 2nd. Meeting adjourned 6:40 p.m.

Respectfully submitted,

Patricia Carlino, town Administrator

John Baldasaro, Chairman

Barbara Huntoon, V. Chairman
