Museum Update: Society President John Hultman reports construction figures are still being collected for our grant applications. We had approximately 25 people visit us during Chester on Track. We will be open on Sundays from 10 - 2 for July and August, and upon request.

Historical Society members met with Chester Elementary students for their annual visit to the Old Jail and their first of what we hope the beginning of many visits to the Museum.

May has also been a busy month planning with the Chester Firemen's Association for the Memorial Day services May 28. It is hoped we will have a large gathering to honor and show our appreciation and respect for all veterans past and present.
