

The Towns of Blandford and Chester are excited to introduce an online system for Building Permits. This system is fully automated when applying and paying online, viewing your application status and printing of the following Building Permit applications :

- Certificate of Inspection
- Commercial Building Permit
- Electrical Permit
- Gas Permit
- Plumbing Permit
- Residential Building Permit

The first step is for you to create an account in order to use the system:

The screenshot shows the login page for the Towns of Blandford and Chester. At the top, there are two circular seals: the left one for Blandford, Massachusetts, established in 1752, and the right one for Chester, Massachusetts, incorporated in 1812. Below the seals, the text "Towns of Blandford and Chester" is centered. Underneath is a "Sign In" heading. There are two input fields: "Username or Email" and "Password". Below these fields are three buttons: a green "LOGIN" button, a checkbox labeled "Remember", and a link "Forgot Password?". A red arrow points to a link labeled "New User Register Here!". At the bottom, there is a copyright notice "2019 © Full Circle Technologies, Inc." and a link for "Privacy Policy". The background of the page is a scenic view of a forested hillside.The screenshot shows the "APPLICANT REGISTRATION FORM" progress bar. It consists of four steps: "PERSONAL DETAILS", "LOGIN DETAILS", "OTHER DETAILS", and "PREVIEW". The "PERSONAL DETAILS" step is currently active, indicated by a teal circle and a teal line. The other steps are indicated by grey circles. Below the progress bar, the text "STEP 1- PERSONAL DETAILS" is displayed.

Once you have created your account credentials, login and click on the upper left button "**New Application**". Select the Town you want to apply for and the appropriate Building permit to complete the application.

When your application is submitted, you can click on the "eye" (  ) icon to view the status of your permit application. Permit applications are addressed quickly, but please allow at least 48 hours for your application to be reviewed.

Building Staff will use the "chat" feature for any questions or to let you know if additional information or documents need to be uploaded. You can chat back by clicking on the bubble icon (  ).

You can pay online after the appropriate Inspector reviews your permit and sets the status to "Ready for Payment." Log back in and pay with an online check (your check routing number and account number), or credit card.

After the permit is issued, you can log into your account and print your permit accordingly.

**Thank you for your participation in our new online permitting system.**
