

Chester Municipal Electric Light Department

15 Middlefield Road, Chester, MA 01011

**Commissioner's Meeting**

September 8, 2020

Present: Commissioners: Terry Murphy and Deryck Savoy  
Manager: Jill Moretz

- There was discussion about the increase in monthly RNS charges from ISO New England. There really is nothing we can do and every electric municipality and company will need to pay the increase. ISO NE explains it is due to the upgrades on the grid. The rate payers will see the increase in their bills in the coming months.
- Commissioners reviewed and signed the Department of Public Utilities report. Jill will mail it out tomorrow.
- Commissioners reviewed the new employee handbook. There were questions about the retiree's health benefits. Jill will check with Kathy, town administrator to see how they are going to handle their retirees.
- Commissioners reviewed the work list Matt Vachula made up. The list consists of the jobs and upgrades the linemen have done in 2020.
- Jill informed the commissioners that the meter reader terminated her position and to save money, Rosanne and Jill will start doing the readings.
- The Commissioners signed paperwork.
- Next meeting will be held Tuesday, November 10, 2020.

- Meeting adjourned at 7:10 pm.

Respectfully submitted,

Jill E. Moretz
