

Chester Municipal Electric Light Department
15 Middlefield Road, Chester, MA 01011

Commissioner's Meeting

May 25, 2021

Present: Commissioners: Terry Murphy, Deryck Savoy and Duane Pease
Manager: Jill Moretz

Meeting was called to order 6:00 pm

- The minutes of the April 27, 2021 meeting were reviewed. A motion was made by Duane to accept the minutes as written. Deryck seconded, all in favor, motion passed.
- Bruce from Wildco sent over the quotes for upgrading the pumps so they are accurate. The first quotes were for both the Gas and Diesel pumps combined. The commissioners asked to have them broken up individually. Bruce from Wildco sent the new quotes and the gas pumps came in at \$4,016.43 and diesel was for \$4,362.66. These quotes are for parts only. Jill has tried to reach Bruce from Millers to give a written quote. Jill has left two messages and he has not returned her call. The quote from BMS INC. (Dennis Bolduc from town) came in at \$3,720 each pump to install everything. Total for both would be \$7,440. Even though the price is higher than expected, CMELD will not contribute more than the \$1,500 that was promised. CMELD has been paying the additional costs for gas due to the pumps not working properly for years.
- There was no update on the Solar that is attached to the town buildings
- Next meeting will be held Tuesday, June, 15, 2021.
- Meeting adjourned at 6:35 pm.

Respectfully submitted,
Jill E. Moretz
