Meeting called to order at 1:30pm.

Item 1: The minutes from the 19 May meeting were unanimously approved.

Item 2: Discussed a proposed asset management plan grant with Tighe and Bond representatives Peter Valinski and Eric Lehan. This grant would provide a GIS digital map of our distribution system, as well as allow maintaining accurate, up to date, maintenance records on all distribution system valves, hydrants, and water mains in an accessible electronic database. The grant pays for 60% of the cost, with 20% paid by the town with the other 20% being in kind work by the town to support the grant work. T&B will develop a grant request for review by the water commission. The grant must be submitted by 12 August.

Item 3: A draft public hearing notice regarding the proposed water rate increase was reviewed and approved for posting. The public hearing is scheduled for 28 June at 5pm.

Meeting adjourned at 3:10pm.

Submitted,

Lyle Snide, Chair, Water Commission
