

*Hamilton Memorial Library*  
Chester, MA  
Meeting Minutes: **March 3, 2022**

*Present:*

Karen Savoy, MaryAnn Pease, Linda Koske, Jane Sutton, Lucia Browne

*Secretary's Report:*

The minutes from **Feb. 23** were read and accepted. MaryAnn pointed out that going forward, all agendas of meetings will be sent to the Town Clerk for posting. She needs it 48 hrs. in advance.

*Old Business:*

The report from the mold remediation company was very good. The air purifiers are doing the job and we need to continue their use. It is possible to turn them down if need be.

*New Business:*

The tentative "start" date for the new director will be the week of March 21-25. Kathy Warden will be out next week so MaryAnn will get the "personnel packet" from her before she leaves.

Opening the Library to the public may take place around April 4, depending on readiness and notification will go into the Watts News.

Judy Kelly was interviewed for the position of Library Director. After the interview, the Board discussed the pros and cons of each candidate. It was decided that Karen would contact both of them with some questions and we would reconvene on Tues., March 15 for a final decision.

*Next Meeting:*

*Tues. March 15, at 2PM at the Hamilton Memorial Library*
