Meeting called to order at 10:00am.

Item 1: The minutes from the 13 April 2023 meeting were unanimously approved.

Item 2: Discussed the Lead Service Line grant with Peter Valinski of Tighe and Bond. The grant has been approved. The Chester Water Dept. will work with T&B on the assessment survey in the upcoming months with all work completed by OCT2024 at the latest. Will also look at moving the GIS database work from the AMP grant to the LSL grant since the LSL grant can cover the work without a town payment.

Item 3: Discussed the Asset Management Plan (AMP) grant. Will need obtain and fill out the DEP paperwork demonstrating the town will cover both the service in kind and cash payments by 30 June. Also need to get a town warrant article approved to appropriate the funds for the AMP grant.
