Adam Kran

Remote meeting only

Meeting called to order at 10:00am.

Item 1: The minutes from the 05May2023 1000 and 1100 meetings were unanimously approved.

Item 2: Reviewed a proposal from Environmental Partners for a water treatment engineering study to reduce distribution byproduct levels in the finished water. It was requested that the proposal include an assessment of Austin Brook Reservoir suitability for reactivation and provide an interim report to DEP if it is determined reactivation is recommended, and to determine if the special bi-weekly sampling requirements are still needed. A contract will be drafted incorporating these revisions.

Item 3: The Tighe and Bond engineering services agreement on a Lead and Copper Rule Revisions Water Service Inventory and Lead Service Line Replacement Plan, in support of a Lead Service Line survey grant, was reviewed and approved.

Meeting adjourned at 10:55am.

Submitted,

Lyle Snide, Chair, Water Commission
