

Chester Municipal Electric Light Department

15 Middlefield Road, Chester, MA 01011

**Commissioner's Meeting**

July 18, 2023

Present: Commissioners: Duane Pease, Terry Murphy (via phone)  
Manager: Diane Hall  
Attendees: Rosanne McClaffin, Mary Ann Pease, Andy Myers, Bob Daley,  
Tom Bean, Nick Chuisano  
Absent: Deryck Savoy

CMELD Commissioners meeting was called to order at 6:05 p.m.

- Read minutes of 6-20-23 minutes and they were signed and accepted by Commissioners. Motion made by Duane to approve and seconded by Terry.
- Discussed Water Dept. reimbursement for Rosanne. They proposed to pay her 4.5 hours per week at her CMELD hourly rate, submitted bi-weekly on a payroll warrant. Bob Daley mentioned that they had always intended to compensate her for all her work but were waiting for a grant that came at the 11<sup>th</sup> hour. Diane asked about the "job posting" and Andy Myers said it was not going to be posted now. At this point, the Water Commissioners and Andy Myers left the meeting.
- Told the Electrical Commissioners that Larry Fazzolari from State Line Propane would be up at the Garage on Wednesday, July 26<sup>th</sup>, to see where to set the new 500-gallon propane tank for the new furnace installation. Mentioned that if anyone wanted to be up there at that time for recommendations or comments, they were welcome.
- Discussed email forwarded from Eversouce to Andy Myers to Deryck to Diane regarding additional information needed, i.e., contracts, easements, employees, equipment, etc. Diane does not feel that CMELD should have to compile all that

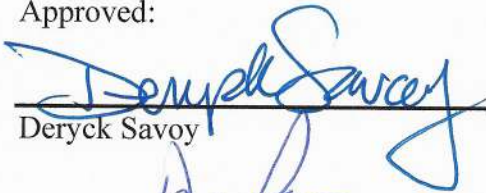

information, as it will take time away from daily work. She also does not feel that employees' personal information should be given out.

- The meeting was adjourned at 6:30 p.m. by Duane Pease and seconded by Terry Murphy.

Respectfully submitted,

Diane M. Hall  
General Manager  
CMELD
