****Please Note:** Our library will be closed temporarily beginning May 6th. This period is scheduled to last approximately six weeks. Please continue checking our website: hamilton-library.org or following us on social media for up-to-date information. We are working diligently to find a location to house a limited collection of books, DVD's, magazines etc. during this period. Our drop box will be available in the same location. Our inter-library loan program will continue throughout this period. Since we are now a CWMARS library please know that you can order any book you'd like online at: catalog.cwmars.org. Your username is the barcode on the backside of your library card and your password is the last 4 digits of your phone number. Please stop by the library prior to May 6th and we'd be happy to show you how to access the catalog from home.
