

March 2025 Events at Hamilton Memorial Library

Story & Fun Time

Every Thursday at 11 am. This is a great opportunity to foster a love of reading in our young patrons while providing an opportunity to socialize with others and learn new skills through crafts and play.

Movie for Kids

We will be showing the family friendly PG rated comedy, "The Secret Life of Pets", on Tuesday March 4th at 4pm as our next winter season feature. This 1hr. 30-minute, animated film is about a pair of spoiled NYC pets who meet up with some not so friendly local alley cats and end up in a heap of trouble! Will another local animal come to their rescue? Join us for some snacks and cocoa to find out! RSVPs are helpful.

Winter Social

Looking for an opportunity to be around others for some conversation or just to get out of the house? Stop by any time on Saturday morning, March 8th between 10am and noon, for a warm beverage and light refreshments. We will have a puzzle on the table, and a deck of cards but feel free to bring along your knitting, coloring book or other activity to enjoy while chatting with friends!

Book Club

Meets every third Wednesday of the month at 4:30pm (March 19th). This month we will be discussing the mystery thriller, "Thin Ice", the first book in the Alaska Wild series by Paige Shelton, and beginning the WWII historical fiction novel, "The Postmistress" by Sarah Blake. Light refreshments will be served. Extra copies are available.

Decluttering/Organize Your Space Talk

Saturday, March 22, 2025 at 11am. Feeling overwhelmed in your living space? Looking to downsize? We will welcome a special guest presenter, Keely Flynn Schoeny, who will share her expertise in helping others declutter and organize their home.

Follow us at www.hamilton-library.org for more information or call 413-354-7808.
