ADDENDUM TO BOS MEETING MINUTES 6/2/25

It was originally recorded that “Barbara Huntoon apologized on behalf of The Chester Foundation for the ruts made on the ballfield during Chester on Track. They have since been repaired by Dave Pierce.”

This is incorrect – Barbara Huntoon said they have been repaired but did not state who repaired them.

It was also originally recorded that “Barbara asked why there were cameras installed at the ballfield and said The Chester Foundation was not involved in that process.”

This is also incorrect – Barbara said there was a miscommunication with cameras installed at the ballfield and The Chester Foundation was not involved in that process.
