Water Commission Minutes
May 23rd, 2025

Meeting opened at 10:02 AM with Committee members and others present.

The minutes of the April 29, 2025 meeting were read & accepted.

We discussed the draft CCR and accepted this version for mailing.

We discussed the drought conditions and while we were happy to be at stage zero we were also aware that weather conditions might cause the town to issue a statement for conservation of water.

Handouts of the AMP meeting of May 21st were briefly discussed.

The second quarter sampling was briefly discussed we were happy for another positive outcome with the testing.

Meeting adjourned at 11:20 AM
